
FEED THE ATHLETE'S

This is a NEW Featured State Program in partnership with Special Olympics.

All Chapters are tasked with collecting donations from individual councils within their Chapter to fund events that occur in the Chapter.

We are asking for a one time donation for this Columbian Year of \$300.00, or what funding is available. The cost to feed an athlete is \$3.00

More events will occur in the Northern California Chapter in the spring & summer.

ALL FUNDS raised in the Chapter STAYS in the Chapter.

The largest Program in the State is the INTELLECTUAL DISABILITIES PROGRAM. Not all funds raised by the ID DRIVE go to Special Olympics. Funds collected last year were distributed to 159 different organizations that supported people with Intellectual Disabilities. Funding to those Programs we would like to see unaffected by the "Feed the Athlete's"

Special Olympics is the LARGEST supporter of People with Intellectual Disabilities. So it makes sense that the NEW FEATURED PROGRAM in California further helps those with Intellectual Disabilities, a growing relationship with the Knights of Columbus & Special Olympics.
